

DIRECTIONS FOR USE:

- **General Use:** Spray directly on hard surfaces and wipe clean.
- **Carpets and Rugs:** Use full strength and spray directly.
- **Smoke odors in a home or car:** Spray the upholstery, headliner and other surfaces until slightly damp.
- **Litter Box Odors:** Spray lightly on the surface, but do not soak.
- **Dead or Decaying Organic Matter:** Remove the animal or other matter and spray the residue directly. If the source is not able to be removed but can still be reached, spray directly on the source, soaking thoroughly. Repeat if necessary.
- **Fogging or Misting:** Use full strength.
- **Hard Floors:** Use 1/4 cup Ultra ZR1 per gallon of water.
- **Carpet Cleaning Machines:** Use 1/2 cup Ultra ZR1 per 3 gallons of water.
- **Washing Machines:** Use 1/4 cup Ultra ZR1 per load. You can also spray wet clothes in the dryer.
- **Pets:** Spray the pet's coat directly. Avoid spraying in the eyes. Ultra ZR1 works for everything from common pet odors to skunk spray.

 **Please Recycle**

ECO-FRESH®
