

# EcoSafe® Ultra ZR<sup>1</sup> Odor Neutralizer

Don't Mask Odors. Eliminate Them.

## EcoSafe®

# ULTRA ZR<sup>1</sup>

Odor Neutralizer

### BENEFITS:

- Eliminates odors instantly
- Eco-friendly plant and mineral based formula
- No harmful enzymes, chemicals or masking agents
- Use full strength with a sprayer or ULV fogger
- Dilute with water for mopping or wiping hard surfaces
- Removes odors from and freshens laundry
- Safe for most surfaces
- Available in a variety of refreshing scents

### ODORS/AREAS CONTROLLED:

- Spoiled foods
- Sewage
- Cigarette, pipe, and cigar odors
- Smoke, fire, and water damage
- Bathrooms
- Basements and crawl spaces
- Damp, musty areas; mold & mildew
- Metalworking fluids
- Landfills
- Dumpsters and trash receptacles
- Urine and feces
- Animals and kennels

### APPLICATIONS:

- Commercial processing plants
- Veterinarian hospitals
- Animal control companies
- Air duct cleaners
- Air quality contractors
- Carpet cleaning professionals
- Maintenance professionals
- Builders
- Disaster contractors
- Restoration contractors
- Mold remediators
- Pest management professionals

### DIRECTIONS FOR USE:

- **General Use:** Spray directly on hard surfaces and wipe clean.
- **Carpets and Rugs:** Use full strength and spray directly.
- **Smoke odors in a home or car:** Spray the upholstery, headliner and other surfaces until damp.
- **Litter Box Odors:** Spray lightly on the surface of the litter, but do not soak. It is recommended that dirty litter be cleaned for best results, but you may spray the urine and fecal matter directly and still achieve results.
- **Dead or Decaying Organic Matter:** Remove the animal or other matter and spray the residue directly to neutralize the odors. If the animal is inaccessible but can still be reached, Ultra ZR1 may be sprayed directly on the animal, soaking thoroughly. Repeat applications may be necessary.
- **Fogging or Misting:** Use at full strength.
- **Hard Floors:** Use 1 cup Ultra ZR1 per gallon of water.
- **Carpet Cleaning Machines:** Dilute Ultra ZR1 at a rate of 1/2 cup per 3 gallons of water.

**DO NOT USE ON UNTREATED LEATHER OR SURFACES SUBJECT TO STAINING.**

#### Packaging:

12 / 2 fl oz Spray Bottles  
6 / 32 fl oz Spray Bottles  
4 / 1 Gallon Jugs
